Friends,

Prior to The Generals Redoubt's resolution of no confidence in President Dudley, we had seen or received a number of letters from individuals stating their concerns about President Dudley and their reluctance to continue supporting the university financially until major issues have been addressed. We have included three of these in this mailing. The first is from Steve Robinson, 1972 A and 1975 L, and is addressed to President Dudley. The second is from Bob Fitts, 1986, and is addressed to Beau Dudley, and the last is from Jordan Campbell, 2008, and is addressed to the Board of Trustees. Although many of the themes enunciated by these individuals are consistent with positions taken by The Generals Redoubt, the statements of these alumni are their own. These letters can be found in the "Letters" section of the website.

Following our resolution and letter to the Board of Trustees on July 4th regarding President Dudley, we received a response from Rector Mike McAlevey on July 8th. Tom Rideout has since responded to Rector McAlevey on July 11th. Both of these letters are to be found on the "Letters" page.
